

Policy Number Section VII- 13	<b>POLITICAL &amp; OTHER TEMPORARY ROAD SIGNS IN THE RIGHT-OF-WAY</b>	Adopted: 07-28-2016 Revised 10-25-2018
--	---	---

Unless otherwise regulated by township and other agencies, the following applies to temporary signs placed with the road right-of-way:

- Permission must be granted from the adjacent property owner prior to placing signs.
- Signs must be 28 feet from the center of a road or the backside of the ditch where a roadside ditch exists.
- For multi-lane roads with barrier curbs, the signs must be more than six feet from the back of the curb or far side of sidewalk.
- Signs are not permitted within areas used for clear vision at intersections or commercial driveways, so they will not interfere with the sight distance of a driver.
- Signs must be placed at 150' from intersections.
- Any illegally placed signs will be removed.
- The owner of any signs found to be in violation and removed will be contacted one time to retrieve their sign/s (as long as their contact information is on the sign).
- Signs removed by GTCRC crews will be kept for thirty days for first time offenders at the GTCRC offices, then discarded. All others will be discarded immediately.
- Anyone retrieving a sign found to be in violation will be required to sign and acknowledge the sign policy.
- GTCRC will no longer accept signs removed by others at our facilities.

These regulations are generally consistent with the Michigan Department of Transportation.
