2. **Fees and Costs.** The Permit Holder shall be responsible for all costs incurred by the Road Commission relating to review of this application and shall deposit estimated fees and costs as determined by the Road Commission, at the time the permit is issued. Prior to permit issuance a deposit of the estimated fees and costs as determined by the Road Commission, will be required at the time the permit is issued.
3. **Bond.** The Permit Holder shall provide a cash deposit, irrevocable letter of credit or bond in a form and amount acceptable to the Road Commission at the time permit is issued.
4. **Insurance.** Without limiting the Permit Holder's indemnification of the Road Commission, the Permit Holder shall furnish (1) proof of general liability insurance providing bodily injury, property damage and personal injury liability coverage for all operations of Permit Holder in amounts not less than \$1,000,000 for each occurrence and in the aggregate, and (2) proof of personal (or commercial if the Permit Holder is operating a vehicle for business-related purposes) automobile liability insurance covering all owned, non-owned and hired automobiles and other vehicles used by Permit Holder in an amount not less than \$1,000,000 for property damage per occurrence, and not less than \$500,000 for bodily injury per person, per occurrence. If the policy providing general liability insurance is on a "claims made" form, the Permit Holder is required to maintain such coverage for a minimum of three years following completion or attempted completion of the performance of the work identified in the Permit. Except as provided above for a "claims made" form, all required insurance under Paragraphs 4 and 4.1 must remain in effect for the full term of the Permit and for at least 30 days following the expiration of the Permit, covering both ongoing and completed work performed under the Permit, and shall only be cancelled upon 30 days advance written notice to the Road Commission, by certified mail, first-class, return receipt requested. The need for additional types of insurance or expanded coverage limits will be evaluated on a case-by-case basis and may be required at the Road Commission's sole discretion.
 - 4.1 **Additional Insured.** The Road Commission may require that the Permit Holder's general liability insurance policy contain an endorsement specifically identifying the Road Commission, including its commissioners, officers, agents, volunteers and employees, as an additional insured. Subject to the remaining requirements of this paragraph, the additional insured obligation may be satisfied by an endorsement providing automatic additional insured status whenever it is required in a contract or agreement executed by the Permit Holder. In all cases, the additional insured endorsement must specify that its coverage is primary and extends to the full limits of the policy. The additional insured endorsement must provide coverage for all claims or liability that are caused by, related to, or arise from the acts or omissions of the named insured or those acting on its behalf, but the provision may exclude any independent acts or omissions solely attributable to the Road Commission.
5. **Indemnification.** In addition to any liability or obligation of the Permit Holder that may otherwise exist, Permit Holder shall, to the fullest extent permitted by law, indemnify, defend and hold harmless the Road Commission and its commissioners, officers, agents, volunteers and employees from and against any and all claims, allegations, actions, proceedings, liabilities, judgments, losses, costs, expenses (including attorney's fees), and damages arising out of (1) the negligent performance or attempted performance of the work described in the permit, or (2) the violation of the terms and conditions of the permit by the Permit Holder, its officers, agents, or employees, or (3) work performed or attempted to be performed by the Permit Holder that is not authorized by this permit, or (4) the continued existence of the operation or facility which is the subject of this permit.

10. **Restoration and Repair of Road.** The construction, operation and maintenance of the activity covered by this permit shall be performed by the Permit Holder without cost to the Road Commission unless specified herein. The Permit Holder shall also be responsible for the cost of restoration and repair of the right-of-way determined by the Road Commission to be damaged as a result of the activity which is the subject of this permit. Restoration shall meet or exceed conditions when work is commenced and be in accordance with specifications. The Permit Holder shall be responsible for costs incurred by the Road Commission for emergency repairs performed by or on behalf of the Road Commission for the safety of the motoring public. Said repairs shall be performed with or without notice to the Permit Holder if immediate action is required. This determination shall be in the sole and reasonable opinion of the Road Commission.
