FREEDOM OF INFORMATION PROCEDURES AND GUIDELINES POLICY

1. Purpose. It is the intent of this policy to provide clear-cut procedures for citizens and Grand Traverse County Road Commission officials in requesting and disclosing public records under the Michigan Freedom of Information Act (FOIA). The intent of this Procedures and Guidelines Policy (the “Policy”) is to comply in all respects with the FOIA, and the FOIA shall be deemed a part of this Policy. In the event of an unintentional conflict between this Policy and the FOIA, the FOIA shall control.

2. FOIA Coordinator. The Clerk of the Road Commission Board is hereby designated as the FOIA Coordinator. Pursuant to MCL 15.236(3), the FOIA Coordinator may designate another individual to act on their behalf in accepting and processing FOIA requests for the Grand Traverse County Road Commission. With the exception of Section 4 of this Policy, all Grand Traverse County Road Commission officials and employees receiving document disclosure inquiries shall immediately transfer them to the FOIA Coordinator or designee. All written requests for public records shall be forwarded to the FOIA Coordinator or designee to keep for no less than one year.

3. Procedure. With the exception of information requested described in Section 4 of this policy, all responses to requests for information under the FOIA shall be forwarded to and reviewed by the FOIA Coordinator or designee prior to responding to the request according to the following procedure:

- A. Requests to review and for copies of records under the FOIA shall be in writing and shall sufficiently describe the public record to enable the FOIA Coordinator or designee to identify the requested public record and shall include the name of the individual(s) or firm requesting the public records, mailing address, and telephone number. In the event that clarification is needed, the FOIA Coordinator or designee may send a notice requesting clarification of the request and such notice shall not be interpreted as a denial of the request. The requesting person agrees by submitting a FOIA request that the date that such clarification is provided shall be deemed the date of receipt of the request.
- B. Updates or revisions to any of the requested information will not be automatically supplied by Grand Traverse County Road Commission. A new written request must be made for any revisions or updated versions of the requested public record unless the requesting person has submitted a subscription request under Section (3)(1) of the FOIA for information that is created, issued, or disseminated on a regular basis.
- C. Requests shall be considered received if by mail on the date of receipt. The request shall be date-stamped by the Grand Traverse County Road

Commission. If the request is received by email or other electronic means, the request shall be received on the next business day. If the request is received by Grand Traverse County Road Commission in a junk email or spam account, the request shall not be received until one business day following the date that the Grand Traverse County Road Commission becomes aware of the request.

- D. Requests received in a junk mail or spam account shall be logged as to the date that the request was delivered to the junk mail or spam account and the date that Grand Traverse County Road Commission became aware of the request.
- E. The request shall immediately be forwarded to the FOIA Coordinator or designee.
- F. The FOIA Coordinator or designee shall distribute the request to all persons within the Grand Traverse County Road Commission who may maintain the records requested and such persons shall promptly return the information in their possession to the FOIA Coordinator or designee or provide written notice that they do not have any of the requested public records in their possession.
- G. The FOIA Coordinator or designee shall prepare the response, with review by counsel for the Grand Traverse County Road Commission when appropriate, and in the event that a request is denied in whole or in part, the FOIA Coordinator or designee shall sign the written notice of denial.
- H. The Grand Traverse County Road Commission is not obligated to create a record, list, compilation or summary of information that does not already exist. This includes analyzing, compiling, or summarizing existing information into a new format.
- I. In responding to requests, the Grand Traverse County Road Commission will utilize its best efforts to locate the public records requested. The Grand Traverse County Road Commission will search only the most likely locations, or in the case of a request for electronic public records, will utilize only normal and basic search tools for locating the public record(s) requested.
- J. The FOIA Coordinator shall respond within five (5) business days from the date that the Grand Traverse County Road Commission received the FOIA Request. The response may grant the request, deny the request, grant the request in part and deny the request in part, request clarification of the FOIA Request, request a deposit, or extend by not more than 10 business days the time to respond. The timeframes for responding may be extended by mutual agreement of the parties.

- K. Any response to a FOIA Request shall include a copy of or a link to these Procedures and Guidelines and the Grand Traverse County Road Commission's Public Summary of its FOIA Process. A response shall also detail the Requester's appeal rights as set forth in these Procedures and Guidelines and the FOIA.

 - E. A requesting person may ask that the public records be provided by nonpaper physical media. The FOIA Coordinator shall provide such records to the requesting person by nonpaper physical media provided that doing so would not interfere with the Grand Traverse County Road Commission's functions by overloading the FOIA Coordinator's or the Grand Traverse County Road Commission's computer network and the Grand Traverse County Road Commission has the technological capability necessary to provide the records on the media requested.
 - F. A requesting person shall not be permitted to personally monitor the Grand Traverse County Road Commission's examination, review, or search for the public record requested or the Grand Traverse County Road Commission's deletion and separation of exempt from non-exempt material

D. Labor.

Duplication and Publication.

Records Not Available on Website. The labor cost of the lowest paid employee, plus 50% to cover or partially cover the cost of fringe benefits, capable of duplicating and publishing the records, including making paper copies, digital copies, transferring digital public records to be provided or conveyed through the internet or other electronic means.

Records Available on Website. No charge unless the requester requests the record in a different format other than as published on website. In that case, the labor cost of the lowest paid employee, plus 50% to cover or partially cover the cost of fringe benefits, capable of duplicating and publishing the records, including making paper copies, digital copies, transferring digital public records to be provided or conveyed through the internet or other electronic means.

Labor costs for duplication and publication shall be charged in time increments of 5 minutes and all partial time increments shall be rounded down to the nearest time increment.

Search, Location, and Examination. When it is determined that the cost of search, examination, review, and redaction would result in unreasonably high costs to Grand Traverse County Road Commission, the labor cost of the lowest paid employee, plus 50% to cover or partially cover the cost of fringe benefits, capable of searching for, locating, and examining the public records.

The following factors shall be used to determine an unreasonably high cost to the Road Commission:

- Volume of the public record requested.
- Amount of time spent to search for, examine, review and separate exempt from non-exempt information in the record requested.
- Whether the public records required to respond are located within several locations.
- The available staffing to respond to the request.
- Any other similar factors identified by the FOIA Coordinator in responding to the particular request.

Labor costs shall be charged in time increments of 15 minutes and all partial time increments shall be rounded down to the nearest time increment.

Separation and Deletion of Material. The labor cost of the lowest paid employee, plus 50% to cover or partially cover the cost of fringe benefits, capable of separating and deleting exempt material. If no employee is capable of separating and deleting exempt information in a particular instance as determined by the FOIA Coordinator, Grand Traverse County Road Commission may charge for contracted labor for the separation and the deletion in an amount equal to actual costs or 6 times the State current minimum hourly wage, whichever is less.

In the event that the FOIA Coordinator anticipates that fees shall be charged for separation and deletion of material, the FOIA Coordinator shall provide the requesting person an estimate of the fees. Labor costs shall be charged in increments of 15 minutes and all partial time increments shall be rounded down to the nearest time increment.

Overtime. Overtime wages shall not be included in the calculation of any labor costs unless overtime is specifically agreed to by the requesting person.

- E. Public Records Routinely Authorized for Sale. Current fee schedule or cost.
- F. Costs set by Law. Documents which are required to be prepared and sold for a specific fee under Michigan or federal law shall be sold in accordance with the applicable Michigan or federal law.

The FOIA Coordinator or their designee is authorized to establish such other fees and charges in situations not covered by this policy, including fees and charges incurred by the Grand Traverse County Road Commission in connection with allowing the requesting person to personally examine the records, which may include employee or staff time to monitor or assist the requesting person in reviewing the records if such monitoring or assistance causes an excessive or unreasonable interference with the Grand Traverse County Road Commission's functions.

All estimates or fees charged shall be itemized on the standard form for detailed itemization adopted by the Grand Traverse County Road Commission. The FOIA Coordinator shall utilize the most economical means of providing copies of public records that the FOIA Coordinator has the technological capability for. This shall include making double sided copies, utilizing the most economical electronic medium for copying the records the FOIA Coordinator has the technological capability for, and providing the records in the form requested by the requester when the FOIA Coordinator is capable of accommodating the request and doing so would not interfere with the Grand Traverse County Road Commission's functions or cause damage to the records.

The requesting person shall pay for the public records prior to receipt of the public records. In the event that the requesting person fails to pick up the public records requested, the FOIA Coordinator shall retain a copy of the FOIA response and records compiled for at least 365 days from the date of the request.

Any fees shall be reduced by 5% per day up to a maximum of 50% for every day past the deadline to respond within the time periods established by the FOIA and these Procedures and Guidelines for every request properly designated as a request for records under the FOIA.

8. Deposits.

50% Deposit. The FOIA Coordinator may require a deposit from the person requesting the public record or series of public records if the fees will exceed \$50.00. The deposit shall not exceed one-half of the total fee for the request.

100% Deposit. The FOIA Coordinator may require a 100% deposit if the FOIA request is from a requester who has not paid for a previous FOIA fee in full to the public body. However, this 100% may be charged only if all of the conditions are present:

1. The prior fee was not more than 105% of the estimated fee.
2. The records from the prior request both contain all of the records requested in the prior request and are still in the public body's possession.
3. The records were offered to the requester by the public body subject to payment of the fees.
4. At least 90 days have passed since the records were offered in writing to the requester.
5. The requester cannot show proof of prior payment and continues to fail to pay for the prior request.
6. A detailed itemization form has been prepared for the current request.
7. Not more than 365 days have passed since the requester made the request for the request that has not been paid.

Any request for a deposit must include: (1) a detailed itemization of an estimate of the fees, (2) Grand Traverse County Road Commission's Freedom of Information Act Procedures and Guidelines or a link to the Procedures and Guidelines, (3) the Grand Traverse County Road Commission's Public Summary of its Procedures and Guideline or a link to the Public Summary, and (4) an estimate of how long it will take the Road Commission to provide the records to the requester following receipt of the deposit.

If a deposit is requested, the date of receipt of the deposit shall be deemed to be the date of receipt of the FOIA Request and the requesting person expressly agrees to this by submitting a FOIA request.

9. Fee Waivers.

- A. Indigency. The first \$20.00 of any fee shall be waived for any person who is indigent. In order to demonstrate indigency, an individual must submit an affidavit specifying that the individual is indigent, receiving some type of public assistance or otherwise demonstrates their inability to pay, they have not received a fee waiver twice in the same calendar year as the request, and the individual is not requesting information on behalf of someone that is paying them to request the public records.
- B. Certain Non-Profits. The first \$20.00 of any fee shall be waived for nonprofit corporations that are designated by the State to carry out activities under subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 or the Protection and Advocacy for Individuals with Mental Illness Act if the request is made on behalf of the organization or its clients, is made for a reason wholly consistent with the mission of the provisions of the Mental Health Code, and is accompanied by documentation of its designation by the State.
- C. Documents on Website. A fee shall not be charged for any public records requested that are available to the general public on the Grand Traverse County Road Commission's internet site. If the information or a portion of the information requested is available on the Grand Traverse County Road Commission's website, the FOIA Coordinator shall notify its availability on the website and shall include, to the extent practicable, the webpage address of the information. In the event that requester requests the information in another form, Grand Traverse County Road Commission may charge the fees set forth in the policy for providing such records.
- D. Public Interest. A search for a public record may be conducted or copies of public records may be furnished without charge or at a reduced charge if Road Commission Board determines that a waiver or reduction of the fee is in the public interest because searching for or furnishing copies of the public record can be considered as primarily benefiting the general public. The decision to waive the fee under this provision is completely discretionary with the Road Commission Board. Generally, such waivers will not be provided where the person requesting the information will be receiving directly or indirectly a financial benefit from the information provided regardless of whether the information has some public interest.
