

Adopt-A-Road News

2025 Pickup Dates:

April 5-13 (Spring)

July 12-20 (Summer)

September 20-28 (Fall)

THANK YOU ☺

As spring approaches, we invite you to join us for another year in our Adopt-A-Road clean up. Thank you to all who participated in last year's event, and *welcome* to our new participants! Everyone's efforts are greatly appreciated to keeping our area clean and beautiful.

This year, we ask that each of you **please confirm your participation by sending in the safety form**. The contact information is listed below. Please provide any updated information that we may need for future notifications.

SAFETY VIDEO & VESTS

Just a reminder, all participants must review the **safety video each year prior to executing the first pick-up**. The video is available through our website and was produced by the Michigan Department of Transportation. [Please complete and return the Safety Form via email, fax, or mail](#). It is important that each person wear a vest while moving along the roadways; however, if you have a large group and not enough vests, the person closest to the road should wear a vest.

BAGS/VESTS

If you need trash bags or vests for your pickups, please feel free to stop in at any time during business hours to pick them up!

SIGNS

Please help our sign crew by checking your sign during your first pick up and let us know if it is missing or the post is down.

REPORTING YOUR PICK-UP

Please email or call when each collection has been completed to ensure routes are being maintained. Please place the bags as close together as possible and near a landmark so our crews can easily spot them. Pick-ups can only be done during the three (3) time frames listed above; otherwise, you will be responsible for disposal of the bags.

ADDITIONAL INFORMATION

If you know of a group that would like to be involved in our Adopt-A-Road program, please have them contact us. We currently have routes available for adoption in most of our townships.

If you have questions, please do not hesitate to call or email. The office hours are Monday – Friday, 7:30 a.m. to 4:30 p.m., and we are open at lunch!

***** **Please help us keep our contact info current with your updated info. If you no longer wish to participate in this program, please let us know. *******

Get all the latest information on the roadways, look us up on [Facebook](#)!
